

Call forwarding to smartphone

CAN YOU IMAGINE BEING
CONNECTED TO YOUR HOME
AT ALL TIMES?

If you have a FERMAX **monitor or telephone with VDS technology** in your home, you can now **divert calls to your smartphone**. And no matter how old your equipment is.

You just need the new **Wi-Box** from Fermax to be able to **stay connected to your home from anywhere in the world** and enjoy your free time even when you're not at home.

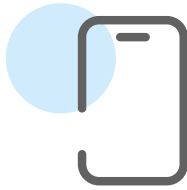

Wi-Box Module
ref.3266

Wi-Box is a small module that allows you to connect one or more mobile phones to the VDS terminal of your home just by **downloading the App and pairing the Wi-Box with your WiFi network**.
