

Qseries 2-Wire 6020APP Kit

FVQ-6020APP-V3B

The new Qseries 2-Wire Kit is a complete redesign and enhancement of our most popular FERMVISION 2-wire residential video intercom kit.

The redesign included a refreshed user interface that has been designed locally in Australia allowing for an intuitive operation.

In addition, the non-polarity 2-wire wiring only requires 1 combined power supply and central unit that can operate multiple monitors and front door stations.

Features

- **7" LCD touch screen Wifi monitor for IP Smartphone App support so you can answer your door from anywhere**
- **Ability to live view compatible IP Cameras within the monitor**
- Integrated 100 photo picture memory functionality within each monitor
- The possibility to install a greater number of monitors within a single residence
- Built-in access control keypad with multiple code capacity
- Multiple ringtones and volume control
- Intercommunication
